NOTHING LIKE A GREAT CLEAN JOKE!!!

I'm trying my hardest over here to get a response...I just want a response to know that you are still trying to find a solution to your problem. I'm not selling...I'm doing whatever I can to bring back the joy to your life...Ideally, I want that to be through our Physical Therapy Program but I hope these brighten your day in the meantime!!

1. One afternoon, a man went to his doctor and told him that he hasn't been feeling well lately. The doctor examined the man, left the room, and came back with three different bottles of pills. The doctor said, "Take the green pill with a big glass of water when you wake up. Take the blue pill with a big glass of water after you eat lunch. Then just before going to bed, take the red pill with another big glass of water." Startled to be put on so much medicine, the man stammered, "Doc, exactly what is my problem?" The doctor replied, "You're not drinking enough water."
